REMARKS

By this Amendment, claims 1-16 and 32-54 are canceled. No claims are amended or deleted.

In the Office Action dated February 1, 2006, the Examiner allowed claims 17-31. In an effort to move this application quickly to issue, and without prejudice to the Applicant's right to pursue the subject matter of the canceled claims in one or more divisional patent applications, the Applicant cancels the non-allowed claims and the claims withdrawn from further consideration.

Since all but the allowed claims have been canceled, the Applicant respectfully submits that claims 17-31 may be allowed forthwith.

All objections and rejections having been addressed, it is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully Submitted,
PILLSBURY WINTHROP
